

Register Online Today with NSA

All teams that participate in NSA leagues or tournaments must be registered or sanctioned with NSA for the current year. The process is

NSA's updated online registration process is now easier than ever.

made easier by the NSA Online System. Coaches must fill out an online form with their team's contact information and team classification. The system will inform the coaches on where to mail a check or pay by credit card for the registration fee. Once the fee is received by the director, the team will receive their registration number via automated email. More information is available at: www.PlayNSA.com
